

85 Group Photography Club

What do we Do

We are a friendly and informal photography club, who meet 3 times a month to enjoy photographic activities, such as:

- taking photographs outdoors (weather permitting) or trying indoor activities, such as light photography - as shown above (*it's easier than it looks - you just need a camera and tripod*);
- running "how-to" sessions to get to grips with editing tools such as Lightroom and Photoshop;
- inviting expert speakers to show their photography, covering areas such as landscapes, wildlife, travel;
- entering or attending competitions nights, both within the club and externally, with the L&CPU.

85 Group Photography Club

Do I need any special skills or equipment?

All you need is an interest in photography. You don't need to be a highly skilled photographer or have expensive equipment - although owning a camera will help!

Where and when do we meet?

We get together on the first, second and fourth Tuesday of the month, from 7:30pm, at:

*Hazel Grove Bowling & Tennis Club, Douglas Road,
Hazel Grove, Stockport SK7 4JG.*

If you would like to join:

You can always turn up on one of our club nights - as there are no special entry requirements.

However, you might prefer to email: cameragroup85@hotmail.com first, as this will allow us to make sure that you will be properly introduced.

How much will it cost:

Prospective members can attend 3 consecutive meetings before joining the club, with £3 attendance for the evening. The Annual Subscription after those visits being £20.00.
